## Results for the election process of Officers on the Executive Council of the Internet Society UK England Chapter.

Dear ISOC UK England members,

On behalf of the ISOC UK England Elections (Nominating) Committee<sup>1</sup>, it is my pleasure to announce the following results for the election process of Officers on the Executive Council of the Internet Society UK England Chapter. Four (4) seats were opened for re-election to join the four seats held by the members of Internet Society UK Limited, to constitute the ISOC UK England Executive Council, a leadership team to continue supporting ISOC's missions.

We received 3 Statements of Interest:

- Louise Marie Hurel - eligible for renewal after her 2 year term  
Received the 1<sup>st</sup> February 2023
- Ruofei Wang - eligible for a 2 year term  
Received the 15<sup>th</sup> January 2023
- Steve Karmeinsky - eligible for a 2 year term  
Received the 3<sup>rd</sup> March 2023

We received only three (3) applications. After conducting due diligence on the applications received, the ISOC UK England Elections (Nominating) Committee suggested to retain all of them even if two (2) Sols were received outside the nomination period.

**Therefore Louise Marie Hurel, Ruofei Wang and Steve Karmeinsky are declared Officers on the Executive Council of the Internet Society UK England Chapter.**

One seat will stay vacant until such decision of the Executive Council to fill it.  
The ISOC UK England Elections (Nominating) Committee is now opening a Challenge Period: from Friday 7<sup>th</sup> April 2023 until Thursday 13<sup>th</sup> April 2023.  
If no challenge is received, we will confirm the results on Friday 14<sup>th</sup> April 2023

Kindest regards,

Varzy, 6<sup>th</sup> April 2023  
Sébastien Bachollet  
Chair of the ISOC UK England Elections (Nomination) Committee
